Baltics4UA: Supporting Ukraine through citizen engagement at Baltic Universities

Project Number:	2022-2-EE01-KA220-HED-000096422
Project Acronym:	Baltics4UA
Project Title:	Supporting Ukraine through citizen engagement at Baltic Universities
Title of Document:	WP2A1 Mapping activity: collection of initiatives undertaken by Baltic HEIs to engage citizens in forms of social action for Ukrainians
Work Package:	WP2
Submission Date:	12/06/2023
Approved by:	All Partners
Abstract:	This document presents evidence from the WP2A1 mapping activity that was conducted by Baltics4UA partners from February to May 2023, on citizen engagement actions by Baltic universities for the benefit of Ukrainian displaced persons and refugees.
Keyword list:	Baltics, universities, Ukraine, resilience, citizen engagement

Dissemination level:	Public

The consortium governing the project is adequately representing a wide range of expertise, as 5 Higher Education Institutions (Tallinn University, Lviv Polytechnic National University, Kaunas University of Technology, University of Tartu, University of Latvia) join hands with a web education specialist (Web2Learn). This mix of knowledge, skills, experiences and networks guarantees a layered approach toward a diverse range of stakeholders.

	Name	Short Name	Country

Work package 2 activity 1 (WP2A1) aimed to identify and analyze social actions developed and completed by universities in the Baltics in response to the ongoing Ukrainian humanitarian crisis. It included a mapping activity that resulted in a curated showcase and analysis of 20 citizen engagement initiatives coordinated by Baltic universities to address the Ukrainian humanitarian crisis (D1).

This document presents an untreated list of items. To read the full analysis and access the data interpretation please refer to Zourou Katerina, Oikonomou Stefania, & Samiotis Stavros. (2023). Baltic universities fostering citizen engagement through social actions for Ukrainian refugees. Baltics4UA [https:// doi.org/10.5281/zenodo.7994655](https://doi.org/10.5281/zenodo.7994655)
